

Mystic Grill

— A Must-Try Experience in El Dorado —

Some places invite you to slow your pace. Mystic Grill is one of them.

Perched above the rolling fairways of Mystic Creek Golf Club, the restaurant captures the quiet grace of Southern hospitality. Sunlight filters through towering pines, emerald fairways stretch beyond expansive windows, and every table offers a view as memorable as the meal itself.

Whether you've just finished a round of golf or simply appreciate a meal in a beautiful setting, Mystic Grill welcomes guests with contemporary cuisine, Southern favorites, and the charm of a clubhouse where good conversation is always in season.

Executive Chef Lasmine Furlow, a Chicago native who has embraced her South Arkansas home, brings creativity and attention to detail to every dish. The menu features everything from appetizers and fresh salads to burgers, pizzas, sandwiches, seafood, and premium steaks.

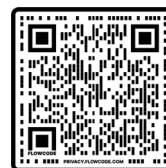

Among the restaurant's most popular selections is the 8-ounce Filet Mignon, served with garlic mashed potatoes, the chef's vegetable of the day, and a fresh-baked dinner roll. Favorites include the Mango Salsa Salmon, Country Fried Chicken, Creole Pasta, Short Rib Mac & Cheese, Mystic Club, and the Hot Honey Fried Chicken Sandwich.

Mystic Grill is also committed to accommodating dietary needs. With a full-time chef on staff, meals can be customized for guests with gluten sensitivities, food allergies, or vegetarian preferences.

What makes Mystic Grill stand out is its winning combination of exceptional food, scenic golf course views, and genuine Southern hospitality. Whether you're visiting El Dorado for business or pleasure, Mystic Grill offers a memorable dining experience that is well worth adding to your itinerary. □
