

Antigua's Bar & Grill

— *Serving Family, Tradition, and Mexican Flavor* —

For Antigua's Grill, great food begins with family. The Mexican American family behind the restaurant immigrated to the United States in 2001 and spent nearly a decade learning the restaurant business alongside relatives who own Mexican restaurants. In 2010, they took a leap of faith and opened Antigua's Grill, bringing their own vision of hospitality, tradition, and authentic flavors to the community.

The restaurant serves a combination of Tex-Mex favorites and authentic Mexican cuisine, with every dish prepared fresh daily from scratch. The team takes pride in using quality ingredients and creating meals with the same care and attention they would provide for their own family.

Among the restaurant's most requested dishes is the Quesabirria, a flavorful combination of tender birria meat and melted cheese folded into crispy tortillas and served with savory consommé for dipping. Another standout is the

Mexican Street Tacos, a classic favorite featuring authentic Mexican flavors served simply and traditionally, allowing the quality of the ingredients to shine. Guests also rave about the Birria Ramen, a creative fusion dish that combines rich, slow-cooked birria with comforting ramen noodles, delivering bold flavor in every bite.

Additional favorites include: Magnolia Plate, Tampiqueña, Rib-Eye a la Mexicana, Mexican Elote (corn on the cob), Queso Dip, Alambre, and Super Burrito. In addition to these popular selections, Antigua's Grill offers a variety of vegetarian options for those seeking meat-free choices.

The owners describe the restaurant as an extension of their home, where employees are treated like family and customers are welcomed as friends. That sense of warmth, hospitality, and community has helped make Antigua's Grill a gathering place where families come together to enjoy outstanding food and lasting traditions. □
