

MAD House 101

— *Where Great Food Meets Great Entertainment* —

Located in the Murphy Arts District, MAD House 101 has become one of El Dorado's favorite destinations for dinner, drinks, and special occasions. Just steps from the First Financial Music Hall and the Murphy Arts District Amphitheater, the restaurant is the perfect place to gather before a concert or unwind afterward with friends.

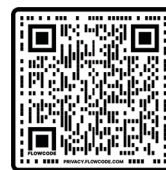

Owners Angela and Dean Morrison opened MAD House 101 in July 2023 with a simple goal: create a restaurant offering something for every palate in a welcoming, upscale casual atmosphere. Housed in the beautifully renovated Griffin Auto Company building, the restaurant combines contemporary comfort with attentive service. The menu features an impressive selection of steaks, seafood, Southern favorites, and classic American comfort food. Steak lovers can enjoy hand-cut ribeye or tender filet mignon, while seafood enthusiasts often choose the Tuscan salmon or fresh grouper topped with rich Cajun crawfish sauce. Try one of the juicy burgers, fried chicken, pasta dishes, hearty hamburger steak,

and other satisfying entrées. Complementing the up-scale menu is a full-service bar featuring signature cocktails, with a great selection of beer and wine, and experienced bartenders ready to recommend the perfect pairing for any meal. MAD House 101 also offers full-service catering and private event hosting. Its commercial kitchen and flexible event space accommodate everything from birthday parties and rehearsal dinners to weddings, corporate meetings, anniversaries, and class reunions.

Open Thursday through Saturday evenings, MAD House 101 combines outstanding food, friendly service, and one of downtown El Dorado's most convenient locations. Be sure to check the entertainment calendar to see what's happening at MAD House 101 or at the Murphy Arts District venues next door. Whether you're celebrating a special occasion or simply enjoying a night on the town, MAD House 101 serves up a memorable dining experience. □
