

The Well

— *El Dorado's Gathering Place* —

Located inside The Haywood, Tapestry Collection by Hilton, The Well Bar offers visitors and locals alike a welcoming place to unwind in the heart of El Dorado. Conveniently set just steps from the Murphy Arts District and the El Dorado Conference Center, The Well Bar is only a short stroll from the historic downtown square.

Opened in 2020, The Haywood honors Charles Haywood Murphy, the patriarch of the family whose legacy is deeply connected to the area's oil industry through Murphy Oil. The Well Bar continues that tribute by taking its name from the oil wells that transformed El Dorado into "Arkansas' Original Boomtown" more than a century ago.

Today, guests discover a different kind of treasure, a menu filled with Southern-inspired flavors and handcrafted cocktails. Favorites include Burger Sliders, Cheddar Bites,

and Lemon Pepper Wings, all designed for sharing with friends and family. Signature drinks include the Lemon Drop Martini, classic Old Fashioned, and refreshing Peachy Sunset. Guests who prefer a non-alcoholic option can also enjoy a selection of mocktails, delivering the same flavors and presentation.

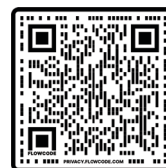

The Well also welcomes guests seeking vegetarian or gluten-free options with selections including Queso and Chips, The Well Salad, and Garden Vegetable Soup.

The staff strives to know guests by name, creating an atmosphere where everyone feels like a regular. The bar showcases Arkansas-made beverages, including Rock Town Distillery vodka and craft beers from Lost Forty Brewing, offering visitors a taste of the Natural State.

The Well Bar provides a place where exceptional drinks, flavorful food, and warm hospitality naturally flow. ☐
